

YANN LACROIX

Biography

Yann Lacroix was born in 1986. He lives and works in Paris. In his paintings, he creates landscapes, sometimes populated by ghostly figures, deploying a utopian iconography, guided by his memories of travel and the history of painting. Like metaphors of the process of memory, Yann Lacroix's works superimpose blurred spaces and areas of particularly precise detail.

First noticed in Paris at the 63rd Salon de Montrouge in 2018, Yann Lacroix has taken part in numerous collective shows in France and abroad: in England, Poland, Thailand, Tunisia, Hong Kong, Dubai and at the Collection Lambert in Avignon. He has been the recipient of numerous grants and residencies, including Shakers in 2013, Chamalot in 2014, la Source in 2015, Fondation Dufraine from 2015 to 2017 and Domaine M in 2017 - as well as in Bangkok, where he spent two months at the Tars Gallery. He was a resident at the Casa Velázquez in Madrid in 2019.
